Units Sold*

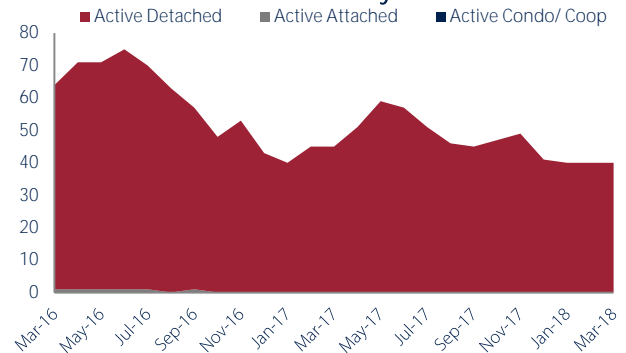

Units Sold

With relatively few transactions, there was an increase in total units sold in March, with 15 sold this month in Amelia County. This month's total units sold was higher than at this time last year, an increase from March 2017.

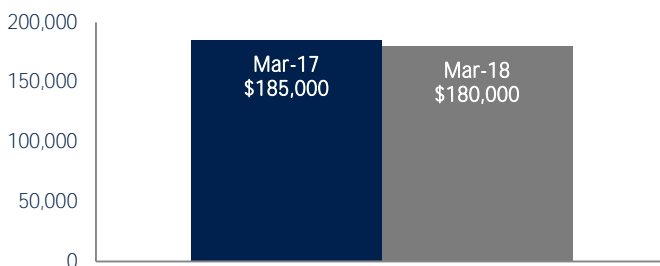

Active Inventory

Versus last year, the total number of homes available this month is lower by 5 units or 11%. The total number of active inventory this March was 40 compared to 45 in March 2017. This month's supply remained stable as compared to last month.

Active Inventory*

Median Sale Price

Median Sale Price

Due to the relatively small number of units sold, the median sale price showed significant change this month. Last March, the median sale price for Amelia County Homes was \$185,000. This March, the median sale price was \$180,000, a decrease of \$5,000 compared to last year. The current median sold price is lower than in February.

Median sale price is the middle sale price in a given month. The same number of properties are above & below the median.

Months Of Supply

Months of Supply

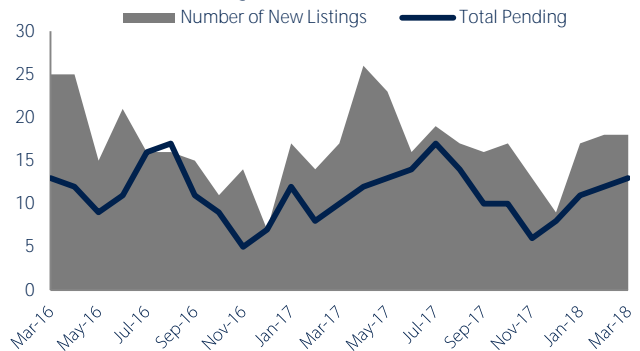

In March, there was 2.7 months of supply available in Amelia County, compared to 5.6 in March 2017. That is a decrease of 53% versus a year ago.

Months of supply is calculated by dividing current inventory by current sales. It indicates how many months would be needed to sell all of the inventory available at the current rate of demand.

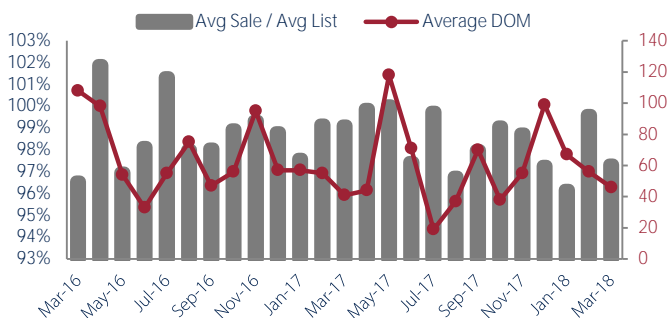

New Listings & Current Contracts

This month there were 18 homes newly listed for sale in Amelia County compared to 17 in March 2017, an increase of 6%. There were 13 current contracts pending sale this March compared to 10 a year ago. The number of current contracts is 30% higher than last March.
