Units Sold*

Units Sold

With relatively few transactions, there was a decrease in total units sold in December, with 4 sold this month in Rappahannock County. This month's total units sold was lower than at this time last year, a decrease from December 2016.

Active Inventory

Versus last year, the total number of homes available this month is lower by 4 units or 5%. The total number of active inventory this December was 83 compared to 87 in December 2016. This month's total of 83 is lower than the previous month's total supply of available inventory of 98, a decrease of 15%.

Active Inventory*

Median Sale Price

Median Sale Price

Due to the relatively small number of units sold, the median sale price showed significant change this month. Last December, the median sale price for Rappahannock County Homes was \$360,000. This December, the median sale price was \$576,250, an increase of \$216,250 compared to last year. The current median sold price is higher than in November. Median sale price is the middle sale price in a given month. The same number of properties are above & below the median.

Months Of Supply

Months of Supply

In December, there was 20.8 months of supply available in Rappahannock County, compared to 8.7 in December 2016. That is an increase versus a year ago.

Months of supply is calculated by dividing current inventory by current sales. It indicates how many months would be needed to sell all of the inventory available at the current rate of demand.

New Listings & Current Contracts

This month there were 4 homes newly listed for sale in Rappahannock County, which is similar to the amount in December 2016. There were 5 current contracts pending sale this December compared to 4 a year ago. The number of current contracts is 25% higher than last December.
